# STORMFORCE

16' Each / 40 Pieces Per Box, 640 ft

The logo for Wincore Windows & Doors. The word "WINCORE" is in a large, white, serif font, with the "O" replaced by a blue circular graphic containing a white starburst. Below it, "WINDOWS & DOORS" is written in a smaller, white, sans-serif font. The entire logo is set against a dark blue background.

Door glass treatments add style to your entry while providing you the light control and privacy.

### Child & Pet Friendly

Door glass treatments not only add style to your door, but they add safety as well. There are no cords to get tangled and the blinds or shades are sealed between two pieces of tempered safety glass.

### Maintenance Free

### Easy to use

Blinds in White only. Internal Grids available in white only.
